# View Summary

You do have the ability to view a summary of the Checklist. It helps get feedback or have a concise version for approval. Click the button in the top right that says "View Summary."

Here you will see a summary of what is in the Checklist and the rules being used. This way, you can quickly get feedback from your peers.

Contract Details (11 issues)

Issue 1: **Correct parties are included**

Confirm the correct full legal names of parties included in the introduction of the contract by searching the entity name in the company register

Rule 1. **Detail: Parties**

If not found then **alert** with message **"No Parties were found"**

If found then **pre-check** with message **"Onit is a party"**

If not found then **alert** with message **"Onit is missing as a party"**

Issue 2: **Governing Law should be Texas**

Test issue - Make sure texs is the govverning law

Positions (1)

Position 1 - Governing Law and Jurisdiction:
GOVERNING LAW, JURISDICTION. The Agreement shall be governed by and construed in accordance with the Governing Law (notwithstanding conflict of laws) and the Parties hereby submit to the exclusive Jurisdiction for purposes of interpretation, validity and enforcement of the terms of the Agreement.

Rule 1. **Detail: Governing Law**

If found then **display**

If not found then **display** with message **"Governing Law was replaced to Texas"** and replace with:

> Texas

If found then **pre-check**

If not found then **alert** with message **"No Governing Law was found"**

Issue 3: **Agreement does not extend to others engagements**

Rule 1. **Concept: Entire Agreement**

If found then **pre-check** with message **"Deleted Entire Agreement Clause"** and delete

If not found then **pre-check** with message **"Entire Agreement Clause Not Found"**

You can also hide to rules, maybe you are getting approval on the Checklist, and the approver does not need to see the AI Rules.
